BY BURBIDGE

Introducing the new Tetbury free-standing timber vanity units from The Bathroom Furniture Co. Each cabinet has been meticulously designed and manufactured in the UK – blending superior craftsmanship and the finest materials with a close attention to design detail and practicality.

There is a choice of three splendid new free-standing designs to select from, each boasting impressive good looks and practical storage options, perfect for creating a luxurious bathroom environment. Choose between smart cabinets with full height doors or large drawers for desirable storage or open shelving for a softer more decorative look to your bathroom.
